TEMPEST

Tempest black textured ceramic crockery is a stylish and sophisticated choice for the food service industry.

The unique texture adds an element of interest and depth to the classic black colour.

Due to the process of adding texture to the plate each piece may vary in its texture and glazing

PRIMA

Elegance of fine china with the resilience of a genuine catering product.

The Prima Range encompasses the entire spectrum of essential tableware, along with a number of elegant extras. Clean lines and a modern white body result in a range that can be applied across a broad range of functions and operations designed to facilitate stacking.
